Is this overall dimension correct?

☐ Yes      ☐ No

- Five-Piece Doors over 48" tall will have a centered mid rail
- Changing Drawer Front Heights may result in automatic change in Drawer Box Height. (Maximum Drawer Box Height is 9.875" tall.)
- Five-Piece Drawer Fronts will always have a horizontal grain panel
- Five Piece Drawer Fronts over a height threshold have wider top and bottom rails like corresponding door style. See door section for additional notes.
